**SCIENTIFIC RESEARCH COMMITTEE (SRC)**

**GIAN SAGAR MEDICAL COLLEGE & HOSPITAL**

**AIM:**

To review and approve all research proposals and grant applications of faculty, residents and students of Gian Sagar Medical College & Hospital and affiliated colleges to ensure that all research adheres to scientific guidelines and regulations.

**OBJECTIVES:**

- The committee shall provide independent, competent and scientific review of research proposals submitted by faculty, senior and junior residents, interns, PG & UG students of the Gian Sagar Medical College & Hospital and affiliated institutions.
- The committee shall design a standard format for submission of scientific proposals which shall be adopted by all investigators. The committee will encourage research activities in the institute especially from students.

**Terms of Reference:**

**1. Submission:**

Researchers shall submit their proposals and relevant documents (like consent forms) as per the prescribed format to the SRC for review.

**2. Review:**

The committee will conduct regular meetings wherein the investigator(s) shall present the proposal in person and explain needed aspects of the study. The committee shall review the presentations of research proposals, document its views to improve scientific rigor and communicate the same to the investigator(s) for compliance and resubmission.

**3. Approval:**

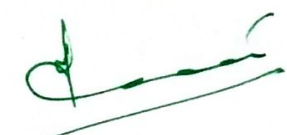

After counter-checking the modifications made in the research proposal by the investigator(s) the committee will provide written approval and forward the proposal to Institutional Ethics Committee (IEC) for Ethical approval.

**4. Quorum:-**

A minimum of 60% of the members must be present for the meeting to be valid.

**5. Frequency of Meeting:**

Monthly and as and when required.
