6.	Dr. Amandeep Singh	Assistant Professor (Dermatology)	6239940052 a.sidhu93@yahoo.com	Member

TERMS OF REFERENCE

Purpose

- To ensure systematic evaluation of adverse drug reactions (ADRs), adverse events following immunization (AEFIs), and other suspected drug-related incidents
- Causality assessment
- Detect signals of drug safety concerns

Terms of Reference

The Committee shall:

- Review and assess all reported adverse drug reactions (ADRs), adverse events following immunization (AEFIs), and suspected drug-related incidents.
- Apply standardized causality assessment tools (e.g., WHO-UMC criteria, Naranjo algorithm) to determine the likelihood of causal relationship.

- Provide recommendations on patient safety measures and necessary clinical interventions.
- Maintain records of assessments and forward reports to the National Pharmacovigilance Programme/AEFI monitoring authorities as required.
- Identify patterns or signals of drug safety concerns and advise on corrective actions.
- Conduct training and sensitization programs for faculty, residents, nurses, and pharmacists on ADR reporting and causality assessment.
- Submit periodic reports to the Principal/Dean and relevant regulatory bodies.

Meeting Frequency

- The Committee shall meet **once every quarter** (minimum four times a year).
- Additional meetings may be convened by the Chairperson as required, especially in case of serious adverse events.

Quorum

- At least **60% of the members**, including the Chairperson or Member Secretary, must be present for the meeting to be valid.

Tenure

- The Committee shall function for a period of **three years**, after which it will be reconstituted or renewed.

Dr. (Col.) Awadhesh Kumar Mishra
Principal
